SPECIAL FILMING CONDITIONS
WAVERLY DRIVE AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Waverly Drive area consists of single family homes situated on narrow streets with limited parking and visibility. Its boundaries are Waverly Drive, Hyperion Avenue and Rowena Avenue. Filming activities can pose significant problems for nearby residents and traffic through the area. The following Conditions have been established to mitigate the concerns of local residents and to ensure traffic can move through the area safely:

- **The total number of filming days for the Waverly Drive area shall be limited to 40 days per calendar year and a maximum of 10 days at any single location**. Prep and strike days will be considered filming days if the Waverly Drive area is significantly impacted by trucks, crew, or the length and/or nature of the prep or strike activities.

- **Affected residents within 500 feet of all filming activity and/or within 200 feet of equipment parking must be notified at least 2 days in advance of the first filming date or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*

- **Filming In the Waverly Drive area also requires that 48-hour advance notification be given to the Los Feliz Improvement Association.** The current contact is Juliet Kiperman, Zoning Chair. Her contact number is (323) 662-0999. A copy of the filming permit shall be on-site and must be readily available to any resident for review.

- **A maximum of two (2) equipment vehicles (2 trucks or 1 truck and generator), may be parked on area streets.** They must be parked adjacent to the filming location or in areas approved by FilmL.A.

- **Equipment vehicles may be parked on one side of the street only.**

- **Personal cast/crew vehicles are not permitted to park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.

- **Catering must be contained on private property.** Sidewalks, parkways, and grass areas may not be used.

- **Production companies may not arrive in area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

- **Weekend and holiday filming is generally prohibited, unless approved by FilmL.A. after a careful review of community concerns identified through FilmL.A. Filming Survey process.**
